## Chiang Mai University Announcement on

### COVID-19 Prevention Requirements for Graduates Attending the 55th Commencement Ceremony

According to the  $55^{th}$  Commencement Ceremony of Chiang Mai University for the graduates of 2019-2020 academic year which will be held on Friday January  $14^{th}$ , 2022 at the Chiang Mai University Convention Center, to ensure the safety and protection against the spread of COVID-19, Chiang Mai University has set the following prevention requirements for graduates attending the  $55^{th}$  Commencement Ceremony.

- 1. A graduate who has been fully vaccinated under the following conditions may attend the  $55^{\text{th}}$  Commencement Ceremony.
  - 1.1 Fully vaccinated (twice) with a booster shot
    - 1) Received 2 doses of Sinovac-CoronaVac and the AstraZeneca Booster Dose before December 30, 2021.
    - 2) Received 2 doses of Sinovac-CoronaVac and the Pfizer-BioNTech Booster Dose before December 30, 2020
    - 3) Received 2 doses of Sinovac-CoronaVac and the Moderna Booster Dose before December 30, 2021.
    - 4) Received 2 doses of Sinopharm and the AstraZeneca Booster Dose before December 30, 2021.
    - 5) Received 2 doses of Sinopharm and the Pfizer-BioNTech Booster Dose before December 30, 2021.
    - 6) Received 2 doses of Sinopharm and Moderna Booster Dose before December 30, 2021.
  - 1.2 Fully vaccinated (twice)
    - 1) Received Sinovac-CoronaVac followed by AstraZeneca before December 30, 2021.
    - 2) Received Sinovac-CoronaVac followed by Pfizer-BioNTech before December 30, 2021.
    - 3) Received the Sinovac-CoronaVac followed by Moderna before December 30, 2021.
    - 4) Received Sinopharm followed by AstraZeneca before December 30, 2021.
    - 5) Received Sinopharm followed by Pfizer-BioNTech before December 30, 2021.
    - 6) Received Sinopharm followed by Moderna before December 30, 2021.
    - 7) Received AstraZeneca followed by Pfizer-BioNTech before December 30, 2021.
    - 8) Received AstraZeneca followed by Moderna before December 30, 2021.
    - 9) Received two doses of AstraZeneca before December 30, 2021.

- 10) Received two doses of Pfizer-BioNTech before December 30, 2021.
- 11) Received two doses of Moderna before December 30, 2021.
- 12) Received the Pfizer-BioNTech followed by Moderna before December 30, 2021.
- 13) Received two doses of Sinovac-CoronaVac between December 15- 30, 2021.
- 14) Received two doses of Sinopharm between December 15-30, 2021.
- 2. If a graduate has not been vaccinated for COVID-19 or has received 2 doses of Sinovac-CoronaVac or Sinopharm before December 15, 2021, the graduate may attend the 55<sup>th</sup> Commencement Ceremony by completing a RT-PCR (Real-time PCR) test within 48 hours before the date of graduation.
- 3. If the graduate was previously infected with COVID-19 and he/she wishes to attend the  $55^{th}$  Commencement Ceremony, he/she must meet the following criteria:
  - 3.1 If the graduate was infected with COVID-19 after receiving one dose of the vaccine, he/she must have had his/her symptoms treated, recovered from the hospital, underwent Community Isolation or Home Isolation before November 30, 2021. He/She must have also received the AstraZeneca, Pfizer-BioNTech, or Moderna vaccine before December 30, 2021.
  - 3.2 If the graduate is fully vaccinated with two doses of the vaccine, but was infected with COVID-19, he/she must have recovered from Community Isolation or Home Isolation before December 30, 2021.
- 4. During the rehearsal, if the graduate has symptoms or shows signs of respiratory infections, he/she will be examined by a medical professional who shall provide an assessment to the chairman of the subcommittee on the prevention of COVID-19 or an assigned personnel to decide on the graduate's attendance.
- 5. For any other cases or for further inquiries, please contact the COVID-19 Prevention Subcommittee via LINE: CMU-pandit55 (ID: @120vzewr)

Announced on November 15, 2021.

(Signed) Clinical Professor Niwes Nantachit, M.D.

President, Chiang Mai University
